# Common problems

A world map with a light blue background and white landmasses. The map is centered on the Atlantic Ocean. Labels for continents and oceans are visible: North America, South America, Africa, Asia, Australia, and Antarctica. Oceans labeled include the Pacific Ocean, Atlantic Ocean, and Indian Ocean. A dashed red line represents the equator.

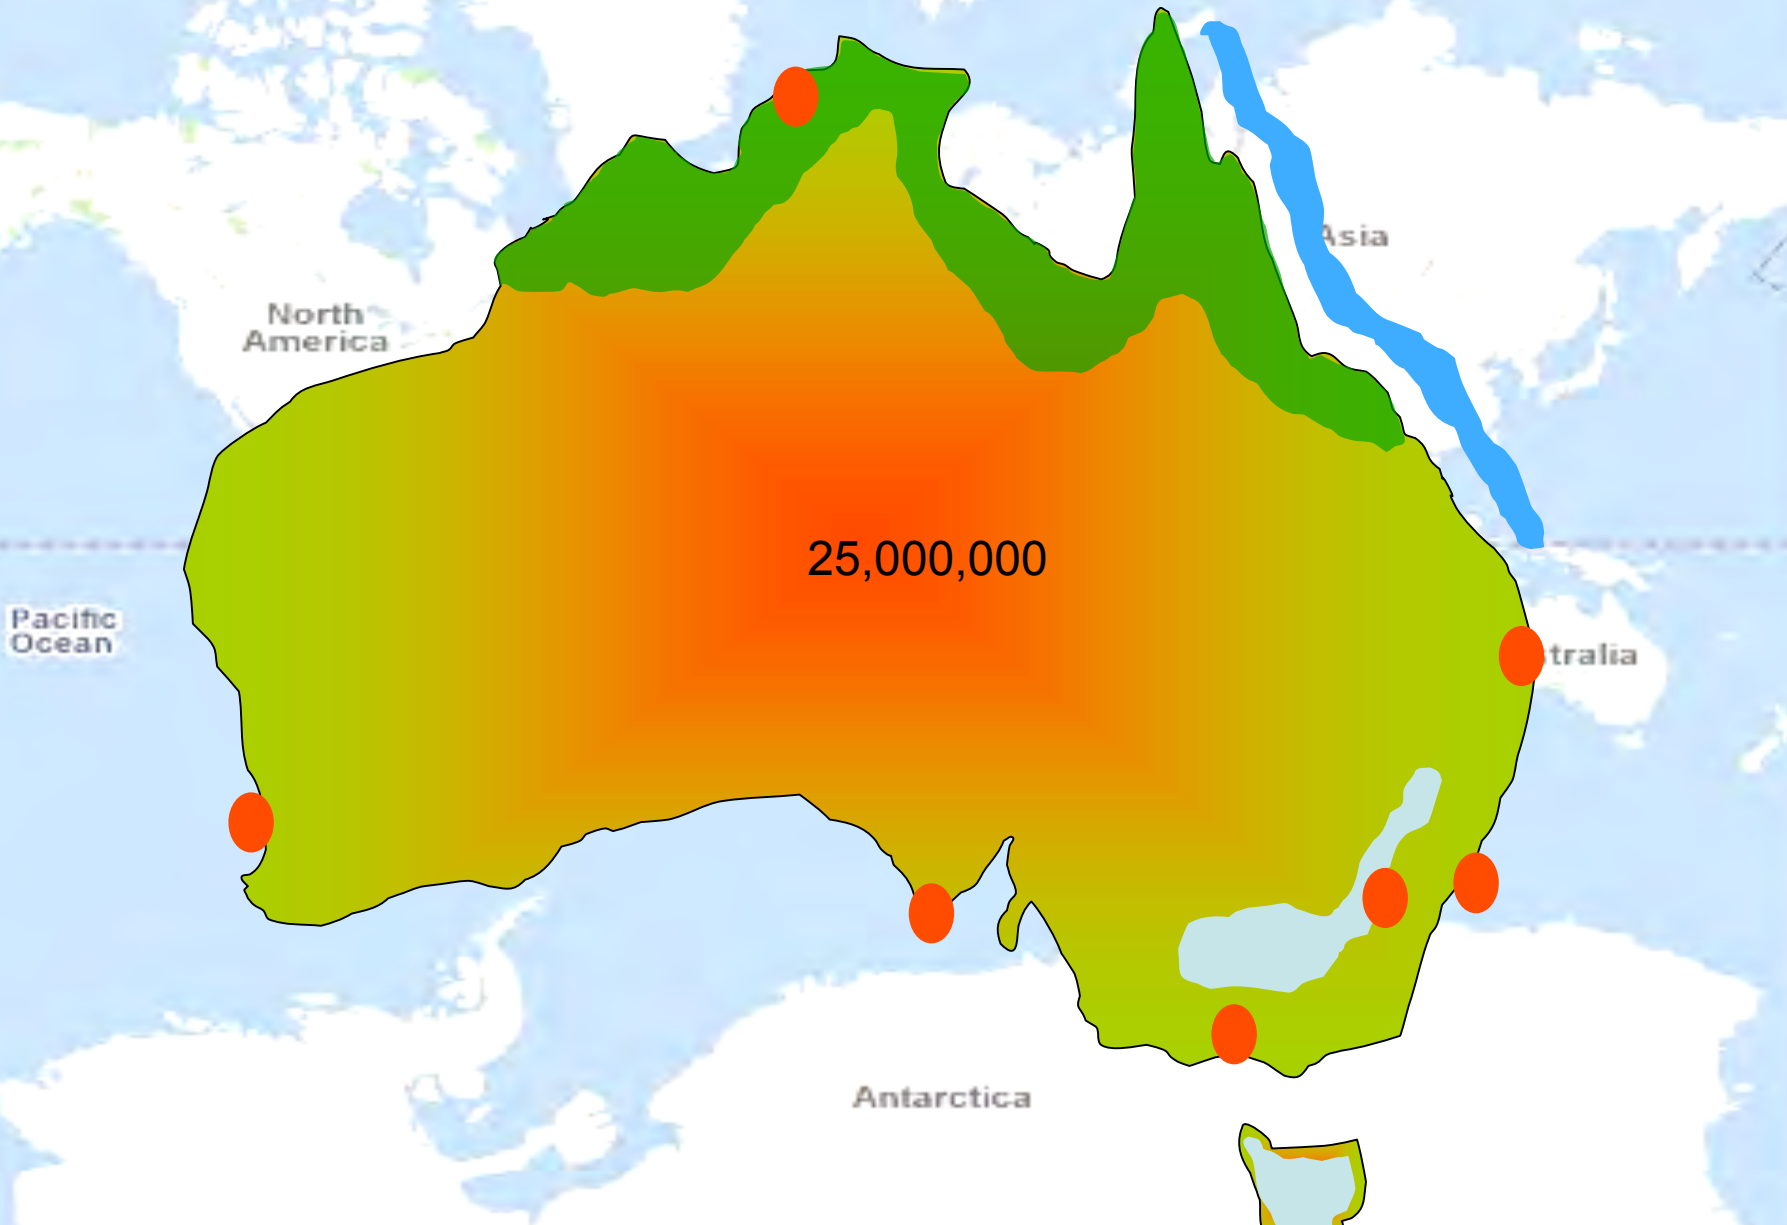

- Diverse Cultures
- Increasing the role of Women
- Recognising Indigenous Cultures
- Access to Quality Facilities
- Drugs in Sport
- Declining Volunteers
- Competing Technologies
- Increasing Costs

# Problems in the Outback

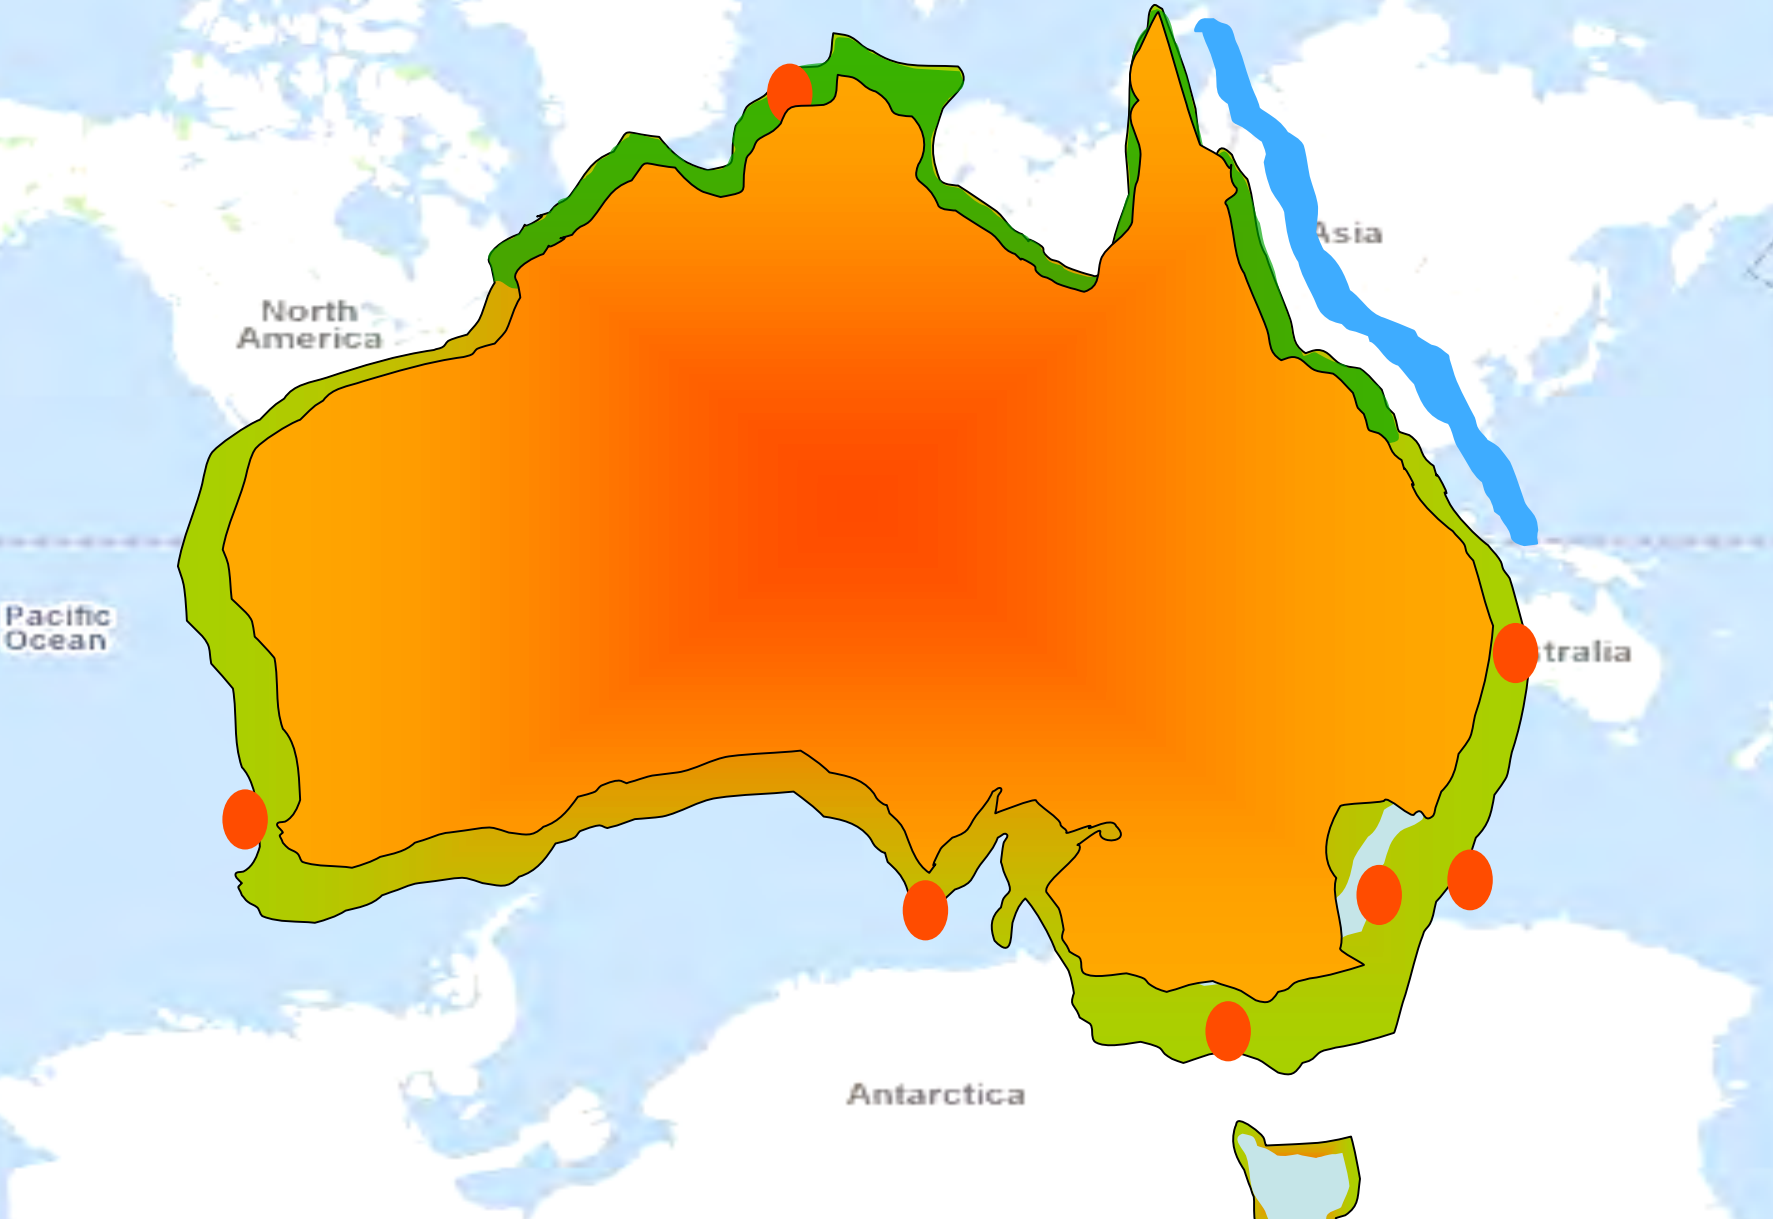

- far fewer people,
- far greater distances,
- fewer services,
- dependency on the environment,
- unbounded social relationships,
- smaller Government.

# Fewer People
