TRYING TO VERIFY THE "PROPER" GENDER OF ATHLETES
1 out of 2,000 newborn babies is born with some kind of INTERSEX CONDITION.
“The Medical Delegate shall also have the authority to arrange for determination of the gender of an athlete should he judge that to be desirable”
The Major Medical Blunder of the 20th Century
The general secretary of IAAF, Pierre Weiss was quoted by Associated Press for saying:

“We are obliged to act. It would have been better if we had been prepared to, but we were not prepared”
Men are from Mars, Women are from Venus, I am from Planet Earth! Deal with it!
