ICONIC ARCHITECTURE FOR GRASS-ROOT SPORT
- How to inspire to new patterns of participation

Speaker:
Laura Munch
Development consultant

The Danish Foundation for Culture and Sport Facilities
The Danish Foundation for Culture and Sport Facilities

- Develops, consults and financially supports construction of sports-, culture- and leisure facilities
- Only issues grants to facilities of a high architectural and functional standard
- Is financed through funds from The National Danish Lottery
- Only in cooperation with municipalities
- Performs research in how to rethink and modernize facilities in sports, culture and leisure facilities
Sports participation in Denmark 2011, National survey
Danish Institute for Sports Studies

↑ New users

↑ Extensive use of the facility

↑ More senior members

↓ Difficult to get the coaches to use all the training possibilities
EXPERIENCE – TAAARINGE TENNIS PARK

↑ New users (2011: 60 members, 2013: 110 members)

↑ 50/50 male/female users

↑ More senior members (22 60+ members)

↑ Extensive use of the facility (local schools and institutions)

↑ The coaches are very good at using all the possibilities

↑ The small pitches are very attractive to all groups of ages

↓ The open facility is a challenge to the club
