

# Reclaiming the blue element

*Converting the water to the best arena for sports and recreation in town*

**Jakob Færch – Development consultant**

**Danish Foundation for Culture and Sports Facilities**

# The Danish Foundation for Culture and Sports Facilities

10 mio. € / year to develop and support culture & sports facilities

# Reclaiming Copenhagen Harbour

# The Blue element

*Great potential but troubled waters*

# The Blue element

*Great potential but out-dated laws and legislation*

# The Blue element

*Great potential but difficult acces*

# The Blue element

*Great potential – transforming the industrial harbour to the recreational harbour*

# New activities – more active people
